Advanced Level 6 Diploma in Integrative Creative and Play Therapy Children, Young People and Adults - March 2026

Our advanced level 6 in Integrative creative and play therapy runs over two years and is accredited through the National Council of Integrative Psychotherapists and also meets the requirements for BACP and ACC membership.

This qualifies people to work with children, young people and adults

This is an experiential and theory based course incorporating theories from Play and creative therapy, Systemic family therapy, Gestalt, Person-centered therapy, Transactional analysis and somatic trauma therapy. It also covers core topics from Psychoanalytic and CBT.

This diploma will enable students to offer therapy to Children from aged 4 all the way through to adults individually or in small groups. We recognise the importance of the systems around children and therefore, our incorporate systemic approaches into our training model, enabling students to work more systemically.

This diploma will give students the skills to work with children, young people and adults struggling with different emotional challenges. We offer an experiential training, which gives students space to reflect and develop their own self-awareness and understanding which in turn impacts the way they work with clients.

Entry requirements:

- Level 3 counselling award or completion of our level 3 award or previous experience of working in a therapeutic setting.
- Ability to work to Degree level of study.

Full cost £5700 (payment plan options available).

In order to complete the diploma participants must complete the following:

- 200 clinical hours - Minimum of 100 hours with adult and 100 hours with children/young people
